complete street description

zip code

homeowner

new householder this edition

telephone number

homeowner without telephone

under construction

intersecting street

apartment building and occupants

complete street address including apartment number

business operated out of home

suburban designation

possible pay telephone not normally listed in telephone book

office building showing room number and occupant of each office

vacant

nature of business shown when not self explanatory

branch of business firm

multiple purpose address. business firm and residence at same address

renter without telephone

nearest telephone

government offices showing department and telephone number

USE YOUR STREET DIRECTORY FOR ...

— *The Most Comprehensive List of Occupants By Addresses*

- BY NEIGHBORHOOD, AREA, SECTION OF CITY
- BY NEW "MOVE INS" ON EACH STREET
- BY PROPERTY OWNERSHIP
- APARTMENT OR OFFICE BUILDING OCCUPANTS
- ZIP CODES

— *Neighbors Of Your Present Customers...*

Reveals friends, neighbors of present customers

Premits mail, telephone or personal contact of prospects

Identifies home businesses or professions

Identifies prospects not in telephone book or with unlisted telephones

Identifies householders

Reveals new families in your area

Shows renters on each street

— *Investigations . Collections - "Skip" Tracing*

Verifies home ownership and other information concerning applicants

Lists all occupants of apartment and office buildings

Shows telephones of neighbors of "skip" for obtaining new address or information

Shows nearby businesses who may know applicant or "skip"

— *Deliveries And Service Calls.. AVOID DELAYS --SAVE TIME AND DOLLARS*

Verifies addresses

Reveals nonexistent or illegibly written house numbers and streets

Shows location of intersecting streets

Shows apartment numbers and occupants of each apartment

Permits verification of telephone orders and defeats 'prank' calls

— *Emergency Use... CLOSEST NEIGHBOR ..NEAREST PHONE*

Especially helpful to law enforcement agencies, public service organizations, members of the medical profession, schools, hospitals and others where immediate contact is frequently necessary to save lives, prevent crime, apprehend criminals, relieve suffering and in many other emergency situations.
